[Home](#) | [About Us](#) | [Samples](#)

1st State Productions is the musical tandem of Eric Kraus and Brad Grimm. Having collaborated musically for over 25 years, they bring a unique history and diverse background of music with a broad range of styles including classical, rock, acoustic, heavy metal, progressive, neo classical, techno and soundtrack. Eric plays guitar, bass and piano while Brad provides drums, keyboard and computer wizardry. We work with cutting edge software and an endless array of top notch gear. Contact us at 1ststateproductions@comcast.net to see what we can do for you.

The video sample below is an advertising teaser we have provided music for that was created by bodybuilding filmmaker Mike Pulcinella. We strongly encourage you to check out more of his great work at www.mikepulcinella.com
